Comments on hot procedures:

- CLCOUP:
 - a. 4.2: call out "Reagent Grade" (same as "Certified ACS") for both Acetone and Isopropyl Alcohol.
 - b. 8.2: add shipping address for our receiving: 391 South Holliston.
- B11N:
 - a. 4.1: call out "Reagent Grade" (same as "Certified ACS") for both Acetone and Isopropyl Alcohol.
 - b. 5.3: change from "Confirm the maximum...." to "Measure the maximum...".

I'll be repeating these comments in my letter to Marty on Friday.
