

# LSC EXECUTIVE COMMITTEE MEETING

- E6 Run date

Suggest Dec 28, 2001 to Jan 11, 2002

GEO being consulted

- LSC meeting dates and locations

Meetings to remain in March and August (one week later)

Meetings to remain at observing sites with once/3 years at Hannover

- LSC travel to shifts and MDC (proposal)

Number of people doing shifts and travel for MDC equal to number of authors on the science papers.

# LSC EXECUTIVE MEETING

---

- **TEST OF TRIGGERS**

Strongly recommend that DMT triggers be part of upper limit MDCs.  
Plead to establish trigger library and documentation
